

# Club Merchandise

Once upon a time, we had club shirts that were available for purchase at each meeting. Then we added our names so we wouldn't forget who we were...Because our shirts are personalized, a decision was made to allow individuals to order their shirts directly from our local vendor.

Merchandise,..in other words, "Capitol A" T-shirts, polos, hats, and anything else you would like to pay to have the logo put on are available to you directly at a very fair price. All Awards has the logo on site so you just need to choose the shirt style you would like out of their catalog. Our only criteria is that the shirt is the "Ford" Blue (Royal).

Polo Shirts range in price between \$25 to \$30. Baseball style caps are \$15. Prices are subject to change.

How it works: You go to their shop and identify yourself as a "Capitol A Member." With their help, you place the order. They will let you know when your item is ready for pick up.
